

Davenport's Bachelor of Business Administration (BBA) degree in Management with an Aviation Specialty is designed to maximize your career potential. This program builds on your aviation knowledge by teaching the leadership and change management skills that today's employers want. You'll learn managerial skills that influence organizations and support business growth, risk management and effective decision-making. The program also integrates data analytics, project management, quality management and business strategy skills. Davenport University was founded in 1866 and the Donald W. Maine College of Business continues to produce outstanding business leaders. Set yourself apart in today's business and aviation environment with this outstanding degree!

The BBA in Management with an Aviation Specialty can be completed in-seat or online.

## Why DU?

- Michigan College Aviation that acknowledges your experience.
- Financial Aid Consortium agreement allows attendance at both schools concurrently.
- Flexibility of classroom or online courses to meet your schedule and keep you on track.
- We award \$1.5 million in scholarships each year.
- We keep a low student-to-faculty ratio.
- We specialize in flexible online or on-campus classes days and evenings.
- We are accredited by the International Assembly for Collegiate Business Education and by the Higher Learning Commission.

### Donald W. Maine College of Business

DU has been a leader in business education since 1866, with a proud tradition of preparing leaders for today and tomorrow.

# Make your experience work for you

The partnership between Northwestern Michigan College and Davenport University awards full transfer credit for coursework from your Associate of Applied Science in Aviation, as well as, credit for your valid Flight Instructor Certificate, so you can complete the bachelor's program in under two years.

Tuition costs are kept in line by taking the maximum number of classes through NMC. You may also be eligible for Davenport grants, scholarships, discounts and Davenport/NMC consortium financial aid.
