

## Donald W. Maine College of Business

Davenport's Bachelor of Business Administration (BBA) degree in Management with an Uncrewed Aerial Systems Specialty is designed to maximize your career potential. This program builds on your knowledge by teaching the leadership and change management skills that today's employers want. You'll learn managerial skills that influence organizations and support business growth, risk management and effective decision-making. The program also integrates data analytics, project management, quality management and business strategy skills. Davenport University was founded in 1866, and the Donald W. Maine College of Business continues to produce outstanding business leaders. Set yourself apart with this outstanding degree!

The BBA in Management with an Uncrewed Aerial Systems Specialty can be completed in-seat or online.

## Why DU?

- Recognition of your completed Flight Instructor Certificate as academic credit.
- Experienced advising and student support available in Traverse City. You'll have a more accurate transfer plan that will ultimately put you on the fast track to graduation, helping you save both time and money.
- Davenport Traverse City has a 20+ year relationship with Northwestern Michigan College that acknowledges your experience.
